Something for everyone—

- **Alumni**: Network with other alumni, share experiences with students, teachers and other alumni, meet alumni in your field, your university or programs you have participated (internships, JET, study abroad).
- **High School students**: Meet people in the field you are considering, talk with teachers of college Japanese programs.
- **College students**: Network with alumni and hear about their experiences in the workplace.
- **Teachers**: Connect with alumni, learn about their experiences in the workplace, showcase your programs to high school and Undergraduate students.

Help promote the event—the more attending (students/alumni/teachers) the better the outcome for all!
