Checklist of Graduate Student Progress

This form should be signed and dated by a Chinese Cultural Studies Faculty Advisor

Structure and Distribution of Courses:

The student will normally choose four five-credit courses from the list below. Three of the four courses must be selected from outside the student's home department. No more than two courses may be from a single department and no more than one course may be a language course. Course substitutions may be made with approval of the CCS graduate committee chair.

Sample Checklist

Coursework (minimum of 20 hours, normally 4 courses, chosen from the list below or with the approval of the CCS graduate advisor):

No more than two courses for the specialization may be selected from a single department; no more than one from your own department; and no more than one language course.

I. What is your department? _____

Please list any course from your own department taken as part of the specialization (optional, no more than one) _____

II. Please list any courses from outside your own department taken for the specialization (at least three)

1. _____

2. _____

3. _____

4. _____

III. Please list any additional language courses taken as part of the specialization (optional, no more than one; Chinese 601, 602, 603, 751, 752, 753, 804, 805, 806)
