In addition to a \$5,000 stipend, Academic Year undergraduate fellows receive support for up to \$10,000 in tuition and academic-related fees. FLAS recipients are responsible for paying tuition and fees exceeding this amount as well as room, board, and travel expenses from their FLAS stipends or their own funds. If studying overseas, fellows must register this travel with OSU's Global Education office and purchase the required supplemental travel insurance, the cost of which (estimated \$1.62/day) is the fellow's personal responsibility. To ensure that fellows are aware of all costs related to their academic year studies at another institution and can begin to plan accordingly, please provide the following information for each of the programs you are considering.
