

# TAKE & GO INTO THE CLASSROOM SERIES

## NCTA Teacher Workshop

*Key Issues in Asian Studies* book authors **David Kenley** and **William M. Tsutsui** will each give an overview and then discuss with the group. Take & Go Into the Classroom Series resources related to China and Japan will be highlighted that connect with Social Studies, Language Arts, Science, Visual Arts and other content areas, providing educators with an opportunity to use the resources either as stand-alone or cross-curricular learning opportunities. While supplies last, *Key Issues* books will be sent to workshop participants.
