

Ohio World Language Korean Summit

The East Asian Studies Center, Chicago Korean Education Center, KLTA North Central Chapter, Korean Language Foundation, Foundation for Korean Language & Culture in USA

This summit brings together educators, administrators, teachers, and students passionate about fostering Korean language programs in K-12 schools across Ohio and the Midwest. Our event aims to provide valuable insights into establishing and enhancing K-12 Korean programs, featuring sessions on the MEd World Language (Korean) program at Ohio State, teacher licensure, and comprehensive resources and support for offering Korean programs in K-12 settings. Participants will also have the opportunity to glean from past experiences and successful initiatives, empowering them to create Korean language learning environments in their schools. Join us as we collaborate and pave the way for the future of K-12 Korean education in Ohio and the Midwest.

June 18, 2024

9:00am-3:00pm

Clinton Room, The Fawcett Center
2400 Olentangy River Rd.,
