

## **Students have the power to make a difference!**

# **Use your fresh perspective to contribute to national security at the CIA**

You are invited to participate in a Q&A dialogue where CIA officers share insights pertaining to work/life balance, security processes, CIA culture, and much more.

You will learn about the Agency's mission, including specific careers within the Directorate of Operations, where you can use your interest in foreign affairs, area studies, and cultural experience background to protect national security.
