

THE OHIO STATE UNIVERSITY

EAST ASIAN STUDIES CENTER

28  
FEBRUARY

2:20-3:40 PM  
Mendenhall Lab 115

**2019 IKS SPRING  
LECTURE SERIES  
PRESENTS:**

**A GENERAL INTRODUCTION  
TO TRADITIONAL KOREAN  
MEDICINE**

**HAN CHAE**

**Medical Doctor, Korean Medicine  
Professor, Korean Medicine  
Pusan National University**

The subject of several high profile hit TV shows, traditional Korean Medicine (TKM) is pivotal for understanding Korea and Korean culture. Dr. Chae discusses issues of TKM including major medical theories, clinical skills, history, and the educational system.

**Free and open to the public**
