

**2019 ICS SPRING  
LECTURE SERIES  
PRESENTS:**

**PEDAGOGICAL GRAMMAR  
FOUND IN 18TH AND 19  
CENTURY WESTERN CHINESE  
TEACHING MATERIALS**

**JIANFENG CAI**

**Lecturer, Chinese Language  
Fujian Normal University**

Professor Cai explores 18th and 19th century approaches to teaching Chinese grammar that were developed by Western scholars to highlight the needs of non-native speakers. These historical texts can contribute to the further development of textbooks for second-language learners.

**Free and open to the public**
