Based on the Kabuki story, “Tenshu Monogatari”, *The Tenshu* is a legend of love between a beautiful, powerful spirit and a Samurai falconer; of honor for a loyal and conflicted warrior; of magic, tradition and the supernatural; of an unassuming artisan who holds the key to happiness. Audience will experience a multi-sensory production featuring live animé, magic, giant puppets, movable sets and supernatural experiences, accompanied by an original rock score. *Don't miss the excitement of this unique cross-cultural collaboration.*
